

FIRST AID

The District shall develop guidelines for the emergency care of any student or staff member who is injured or becomes ill at school or while engaged in a school-sponsored activity. The guidelines shall be reviewed by the Board prior to implementation.

The guidelines shall provide for at least one person in each building to have special training in first aid through a course approved by the Ohio Department of Education. In the case of an emergency involving a student, the emergency medical authorization form (attached) shall be followed and efforts are to be made to contact the parent/guardian. The Emergency Medical Authorization form shall also be made available on the District's Website.
