

RISK MANAGEMENT/INSURANCE

The District has the basic obligation to manage and maintain all physical assets and public funds entrusted to it in a reasonable, professional, and business like manner. It shall further provide legal protection for those individuals discharging responsibilities on behalf of the District. To assist in meeting these obligations, the District shall establish a comprehensive insurance and risk management program.

The Chief Executive Officer and his/her designee(s) shall administer the insurance program.

[Adoption date: May 22, 2001]
