

ORGANIZATION OF FACILITIES FOR INSTRUCTION

The Board recognizes that the grouping of grades and services within the facilities of the District can assist the efficient operation of the District and help achieve a more effective instructional program.

The housing of grade levels in school facilities and the administration of the instructional program is according to plans developed by the Chief Executive Officer and the administrative staff and approved by the Board.

The District shall continue developing its budget process in a school-based manner which recognizes each school's needs and ensures an equitable distribution of assets and materials to the schools in a timely manner.
