

POSTSECONDARY ENROLLMENT OPTIONS

Ohio law provides for student participation in the postsecondary enrollment option program and permits 9th through 12th grade students to enroll at any participating college/university on a full- or part-time basis and complete nonsectarian courses for high school and/or college credit.

The Board directs the Chief Executive Officer or his/her designee to develop and establish procedures and necessary administrative guidelines to ensure that programs are in accordance with State requirements. The administrative guidelines are attached at IGCH-R.

If a student is expelled from the District, the Board will deny high school credit for college courses taken during the period of the student's expulsion.

The Chief Executive Officer must send written notice of a student's expulsion to the college where the student is taking courses to receive high school credit. The notice must state the date the expulsion is scheduled to expire and whether the Board has denied high school credit for postsecondary education courses taken during the expulsion. If the expulsion period is extended, the Chief Executive Officer must notify the college of the extension.
