Dear Parent/Guardian,

Under the Federal No Child Left Behind Act, schools identified in need of improvement must show successful academic achievement gains for two consecutive years before their School Improvement status will be removed. This designation indicates that your child's school, **Kenneth W. Clement Boys Leadership Academy**, has not met the state benchmarks on the Ohio Achievement Tests for two consecutive years.

Please read the enclosed information outlining your child's eligibility for Public School Choice (transfer to a different school).

The school choices for your child are listed on the application. Parents and students interested in these schools must apply using the enclosed application prior to **Friday, November 4, 2011**.

Parent involvement is an important aspect of the No Child Left Behind Act. Parents are encouraged to serve on School Improvement Planning Teams and Academic Achievement Planning Teams (Title I). The school parent organizations and family liaisons help parents monitor academic achievement in their schools.

Our continued partnership is essential to our children's academic progress. We look forward to your continued support as we work towards making the Cleveland Metropolitan School District a premier school district in the United States of America.

Sincerely,

Eric S. Gordon
